

SKI TRIPPIN

Everything you need
to plan your next ski trip
in one place

What is SKITRIPPIN...

WHAT...

- Aggregates all* the information you need to plan a ski trip in a single location
 - Mountain overview (location, number of runs, number of chairs, mountain difficulty, lift ticket prices)
 - Mountain conditions (base depth, % of mountain that's open, recent snow, 7-day snow forecast)
 - Getting here (average airfare, average hotel price)

WHY...

- For diehard skiers, planning a trip isn't easy
- No single source for all the information needed to decide where to go
 - Friends don't let friends drown in browser tabs

FOR WHOM...

- Ski & snowboard junkies
 - Older, slightly more affluent and willing to drop everything to ski/ride in some fresh pow
